Business

1. Approval of Minutes from the January 17, 2017 meeting.

2. UDS Help Desk Status Report

   (a) LUA mistakenly included prepayments as part of a UDS G Record batch and these records should not be loaded.

   (b) The NAIC UDS A record should only include coverage codes where there is still an exposure. If you have already settled the indemnity portion of the claim then that coverage code would not be reported to the Funds via an NAIC UDS A record.

3. Expense Code question - There is no coverage code that is used exclusively for reporting of expenses. Most Funds would report expenses via transaction codes 410 or 420 using the coverage code with the highest exposure line when the claim was setup.

New Business

1. I Record FAQ for UDS Manual Update - Deb, John, and Rich.

2. Darin Miller updated the group on UDS Manual edits.

3. Next meeting is May 16th 2017 at 2 PM.
