Business

1. Approval of Minutes from the September 20, 2016 meeting. The minutes were not approved due to the lack of a quorum.
2. UDS Help Desk Status Report
 - (a) Shari Lucero asked about where to report Medical Bill Review audit fees in C and D Records. The help desk responded that most funds pay MBR audit fees at the claim level thus they are included in the C Records. Funds that do this would also include the amount of these payments as claims expense payments on the D Record.
 - (b) Mitch Williams asked to be directed to the M Record expert. He was directed to John Arment. He also asked if the UDS A Record had been updated to include gender. Darin Miller responded that no such change had been made.
 - (c) Mitch Williams had an additional question. In the case where a GA or Receiver receives a IRS tax levy, what is the proper protocol to take? As a Receiver do we change the claimant name and address to the IRS and IRS address? Or make the check co-payable and send to IRS? Or co-payable and send to claimant address? - No obligation unless the Fund is actively paying on the claim.

New Business

1. UDS Manual Updates. Does anyone use the 835 code for unearned premiums? Dotty indicated that this is a code for a supplemental payment on the B Record from receivers.

2. G Record prepayments - Report back from subcommittee.
 - (a) Sub-types Codes - this issues is still pending and will be revisited in January of 2017. A P Record will be added as well as modifications to the G Record.
3. I Record FAQ for UDS Manual - Deb, John, and Rich. Still pending. Will leave on the agenda for Janaury.
4. Missing Carriage Returns in C Records from some funds. Question from Craig Goodson (LUA). Amanda reported having an issue with this but only with one receiver.
